MEMORANDUM FOR THE RECORD

SUBJECT: Telephone Conversation with [REDACTED]
Office of Comptroller, regarding Budget Procedures,
1953-1956

STATINTL

1. He said that Regulation [REDACTED] (10) and (11) which says that the Director submits Agency budget estimates to NSC and NSC reviews and approves as to amount is no longer in effect. This practice was discontinued before 1953. When [REDACTED] came to the Agency in 1952, he drafted a revised regulation which did not include this step. The proposed regulation was not approved by DD/P. The proposed regulation rescinded the [REDACTED] series. Since it was not approved, the [REDACTED] series still stands although the practice has changed. He did not remember when the practice of submitting the budget to NSC was discontinued. He said that he would check on this.
